FREEDOM
OUTREACH x MISSIONS

Since 1984, the **New York School of Urban Ministry (NYSUM)** has served as a training and mobilization center for Christians who feel called to serve in urban communities. For more than four decades, NYSUM has equipped and deployed **over 60,000 youth and adults** who have come to New York City to share God's love through practical outreach and compassionate service.

NYSUM partners with **hundreds of multicultural pastors, churches, and ministries across New York City**, and now Freedom Church is one of them! Freedom Church is continuing its mission to bring hope to hard places, and this time, we're inviting Freedom College and Young Adults to our

FIRST EVER NYC OUTREACH TRIP.

The mission is simple:
Train believers, mobilize compassion, and transform the inner city.
